MMR_0291 Brad Joseph

Brad Joseph refuses to waste a single minute. Besides model railroading and railfanning, his interests include bicycling, playing Ice Hockey, skiing, Civil War and Space Program history. He runs the oldest Dodge Chrysler Jeep dealership in the world and a Buick GMC store that has been in business over 100 years. His wife Lynn and both adult children LOVE train travel-what a lucky guy! Brad is an MMR and his father was an NMRA member for over 50 years.
